Monster Bark

Ingredients

- 1 bag milk chocolate candy melts
- ½ bag orange candy melts
- ½ bag purple candy melts
- ¼ cup salted peanuts (opt)
- 2 tbsp green jimmies
- 1 pkg small candy eyes
- 1 pkg large candy eyes
- ¼ cup orange & green M&M's

Instructions

Line a jelly roll pan with parchment- set aside

In a small microwave safe bowl, heat milk chocolate candy melts to package directions, stirring half way through until fully melted & smooth

Pour onto prepared parchment & smooth out into a thin, even layer

Sprinkle peanuts on top

Melt your orange & purple chocolates in the same way in 2 smaller bowls & drizzle over the first layer in a random pattern

Sprinkle on jimmies, add eyes & M&M's randomly - work quickly so the chocolate doesn't set before you have everything added

Place tray in refrigerator to set for about 30 minutes

Prior to serving, break into pieces by poking chilled chocolate with a fork or knife
